Student has the right to cancel enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.
- II. The “formal cancellation date” will be determined by the postmark on written notification, the date said notification is delivered to the school in person, the date of expulsion by the school, or 14 days after the last day of attendance or the expiration date of an approved Leave of Absence or the date the student signifies return.
- III. If a student cancels the enrollment more than seven days after signing the contract but prior to starting classes, a refund of all monies paid to the school less the registration fee in the amount of \$200 will be made. You have the right to cancel this agreement for educational service until midnight of the seventh day after the first class you attended. If canceled after the 7th day period the institution provides a pro rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has incurred (including absences), there will be no refund to the student. *(Calculations are based on scheduled hours at last day of attendance.)*
- IV. Any monies due the applicant or student shall be refunded within 45 days of formal cancellation date as defined above. In the case of disabling illness or injury, death in the student’s immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a full refund of all monies paid. The school does not participate in any teach-out plans with other institutions, at this time.

Other miscellaneous charges the student may have incurred at the institution (Ex: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.
- VI. If a student takes a loan to pay for a program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.
- VII. If a student defaults on a federal or state loan, both of the following may occur:
- (1) The federal or state government or a third-party loan guarantee agency may take action against the student which may include garnishing an income tax refund; and
 - (2) The student may not be qualified for any other government financial assistance at another institution until the loan is repaid.
